ABOUT US

"The Byng Street Group" was started by Jeremy Norris in 2011 out of a desire to raise the bar in hospitality across the Central West. In 2010, Jeremy purchased what is now Byng Street Local Store, known to locals as "Byng Street", now recognised as the flagship dining venue of the group serving breakfast and lunch every day of the week, and dinner four nights a week. Since opening Byng Street, Jeremy's vision has expanded, with venues in key locations like Orange Health Service, The Base in the DPI building, and Dubbo Hospital.

Our service philosophy is to make our customers want to come back time and time again by exceeding expectations and providing exceptional service every time.
